

Sample Smart Contract Service Agreement

This sample agreement is provided only for testing the Smart Contract Summary and Q&A; Assistant.

Parties

This agreement is between Alpha Client LLC and Beta Development Studio.

Scope of Work

Beta Development Studio will design, develop, and deliver a smart contract audit dashboard for Alpha Client LLC. The dashboard will help users review smart contracts, inspect vulnerabilities, and summarize audit findings.

Payment Terms

Alpha Client LLC will pay Beta Development Studio a fixed fee of 5,000 USD. Payment is due in two milestones: 50 percent upon signing and 50 percent upon final delivery.

Confidentiality

Both parties must keep business, technical, and financial information confidential for two years after termination.

Termination

Either party may terminate the agreement with seven days written notice if the other party materially breaches its obligations and fails to cure the breach.

Governing Law

This agreement is governed by the laws of Egypt.
